PASTORAL EVALUATION

FOR _____ FAMILY

Dear Pastor,

The mission of NRCS is to teach and train Christian students for maturity in the Lord. NRCS is committed to the concept that children are best prepared for a life of faith and service for Christ when they are nurtured by three of the key influences on their lives: the home, the school and the church. When these three components are not working together then a spirit of rebellion and confusion is created.

Since it is impossible for us to determine the spiritual motivation and character of a family or student in a short interview, we must rely heavily upon your recommendation. The understanding you have of this family, its place of progress in faith, and any particular information about its special needs will be very helpful to our Admissions Committee.

If you have not known this family or student long enough to make a fair evaluation, please pass this form on to a Christian leader who knows them well. Thank you.
